

*Do you hold a Bachelor's degree?*

*Do you demonstrate a commitment to diversity in the field of education*

*Do you have experience working with marginalized populations?*

The [CREC Teacher Residency Program](#) with the RESC ALLIANCE is an **alternate route to elementary certification** focused on increasing teachers of color across the state of Connecticut. Resident candidates will be enrolled in rigorous coursework for 18 months and serve in a paid residency position in a mentor teacher's classroom for the school year. Residents will work in a partnering district and attend classes virtually and on-site in one of our cohort locations in the **Hartford (CREC), Hamden (ACES), Old Lyme (LEARN) or Trumbull (CES) areas.**

- Resident selection prioritizes potential to work with diverse students and minimizes barriers to traditional certification program admission
- Residents participate in courses for 18 months at little to no cost
- Coursework is designed by practicing educators and prioritizes skills necessary to be successful in a diverse classroom
- Residents work for one year in a partner district under a mentor teacher while receiving pay and benefits
- Residents are guaranteed a full-time teaching position in the partner district upon completion of the certification requirements
- Residents are eligible to earn CT certification after fourteen months and 90 days of successful teaching in their own classroom
